New High School Seen In Solving Problem Of School Housing Needs

The acquiring of land for a complete new high school with auditorium, gymnasium and athletic field facilities is visualized in the annual report of the school committee in an eventual solution of the school housing problem.

With the opening of two new school buildings during the year, the report states, the committee looks forward to concerted action on the part of the town in planning further housing facilities for the steadily increasing school enrollment.

"It is inevitable," the report continues, "that further new construction is imminent at the grade school level with the probability of eventually turning over the pre-

sent Punchard High and Junior High school buildings along with the Memorial auditorium-gymnasium to either the High or the Junior high school, and the acquiring of land for a complete new high school with auditorium, gymnasium and athletic field facilities."

The recent town meeting approved an article sponsored by the school committee to appoint a new school housing planning committee to investigate school housing conditions and to formulate long-range school building plans.

It will be necessary to condition two basement rooms in the Shawsheen school and to reopen the closed Stowe building to accommodate

Interchurch Basketball League Ends Season With Banquet

Petition For Motel On By-Pass Denied

The board of appeals by a 2 to 1 vote has rejected the petition of Guy B. Howe for a motel on the by-pass. In order to have the petition granted the vote would have to be unanimous.

Erection of a motel on the northwest corner of Prospect road and the by-pass drew protests from a large number of remonstrants. Representatives of Phillips academy and the local banks favored the petition.

A very successful season of the Interchurch Basketball League was brought to a close Monday night when more than 240 youngsters, fathers and mothers gathered at the Punchard High school cafeteria for the annual league banquet.

On this occasion a large number of prizes, team and individual awards were made. President Donald Anderson presented the divisional awards and roundup prizes, and Charles O. McCullom, banquet chairman, gave out the roundup awards.

Team emblems for divisional honors were awarded to the following teams; Junior division, CYO; Intermediate, CYO; Senior, St. Augustine's.

Prizes won at the annual roundup for shooting baskets were presented to the following boys; Junior division, Lester Gorrie, Christ church, Intermediate, Basil Yancy, (Continued on Page 13)

Teachers' Salaries Follow Schedule

The salary increases which the school committee recently voted not to give to the press are the usual increments granted each year to teachers who have not yet reached the maximum in their salary schedules.

The system of salary increments has been in effect here for many years and every year the school budget has included moneys to take care of these step increases. Every year the budget goes through with the approval of the finance committee, the Andover Taxpayers' association and the town meeting. However, the actual individual increases are formally granted to each teacher by the school committee after town meeting at a time when teachers not on tenure are re-elected.

This year the school committee made several adjustments in salaries of teachers to bring them up to their proper places on the salary schedule. The committee has been (Continued on Page 11)

Red Cross Fund Nearing Quota

The Andover Red Cross fund has reached \$8400 toward a goal of \$13,000, according to David M. Thompson, chairman of the drive.

It is important he said, that every community reach its financial goal in order that the organization may carry on its blood program, including collecting and processing blood to provide gamma globulin for the prevention of polio; its services to the armed forces and veterans; its courses in water safety, first aid, and home nursing; its disaster work; and its many other services. Any one in Andover who has not been contacted by a solicitor may send or deliver his contribution to the local chapter, 6 Elm st., or phone 1496 and ask that some one call for the money.

Mrs. Raymond W. Cooper, of the north district, was the first contributor. (Continued on Page 14)

The school committee at a special meeting Tuesday night voted on motion of Miss Anna Greeley seconded by C. Carleton Kimball to postpone consideration of the teaching of conversational French in the grade schools until the December meeting. At that time the committee will be making up the budget for the following year.

With all members present the committee voted to approve the warrant of bills an accounts in the amount of \$2822.42 and the warrant of the athletic association amounting to \$1066.65.

The committee then went into executive session and re-elected the following: Dr. Philip W. Blake, school physician; Dr. William V. Emmons, school optometrist; Dr. John J. McArdle Jr., athletic physician; Dr. Frank E. Himmer, school dentist; and John Campbell, school (Continued on Page 16)

Little League Boys In First Workouts

Such a large crowd of aspirants for the two Andover teams in the Little League turned out last Saturday and Sunday for their workouts at the Case Memorial cage at Phillips academy that they were divided into two squads.

Next Saturday the workouts will be held as follows: 9 and 10 year olds from 9 to 10:30 a.m., and 10, 11 and 12 year olds from 10:30 a.m. to noon. Sunday the younger group will practice from 1:30 to 3 p.m. and the older from 3 to 5 p.m.

Last Sunday more than 100 spectators were on hand to see the youngsters, about 175 in number, go through the workout. Spectators are welcome to attend the practice this weekend.

Heavy Rainfall In Two Storms

More than four and a half inches of rain fell in the two recent storms which, outside of several flooded cellars, did little damage here.

In last Friday's storm the rainfall, according to records of the Essex Company, was 2.07 inches, and in the Sunday-Monday storm early this week the precipitation was 2.47 inches, a total of 4.54 inches.

The Old Farmer's Almanac predicted March would be a rainy and stormy month with perhaps one "whopper" of a storm between the 15th and 22nd. "Then it will storm some more," it concludes.

Home Dept.

The American Home and Antique Study department of the Shawsheen Village Woman's club met at the Historical house last Friday afternoon. A well known decorator, Earle Seavey of Haverhill, was the guest speaker and he talked on "The Use of Color and Fabric in the Home". Tea was served, after the program by the following hostesses, Mrs. Murray Tuttle, Mrs. John Mulcahy, Mrs. James Gibbons, Mrs. Frank MacMakin, Mrs. Thomas Bevan, Mrs. Earl Waddington, Mrs. George Weldon, Mrs. Michael Lane, Mrs. Harold Gens and Mrs. Arthur Steinert.

Goodby My Fancy

Everything is in readiness for the opening of the sparkling comedy, "Good-bye My Fancy", which will be produced tonight and tomorrow night in the Memorial auditorium at 8 o'clock.

Proceeds from the play will be devoted to the scholarship fund of the Shawsheen Woman's club and to the projects of the Boosters club, which include the sponsoring of two Little League teams and

the awarding of four scholarships to Pynchard seniors.

Besides the cast and director and her assistants, the committees on tickets, props, programs, and publicity, a group of hardworking men have been preparing the set. They include Hartley Bailey, Gilbert Cate, Charles McCulloch, Andrew Baillie, Walter Wilson, I. Malcolm Humphrey, Walter Pearson, Frederick Hulme, Gordon Colquhoun, Edgar Best, Frank Stevenson, James Corey, Dino Valz, Walter Caswell and William Edwards.

The costuming of the women in the cast will be done by Ruth Hammond, who will be assisted by Mrs. Harold Gens, Mrs. James Corey, Mrs. Gordon Colquhoun and Mrs. David Fox. Miss Mabel Marshall will do the make-up with Mrs. Chester Kopatch as her assistant. Mrs. Edwin Bramley and Mrs. Herbert Clegg, head ushers, will be in charge of a group of Pynchard high school girls who will act as usherettes.

Although many tickets have been sold in advance, there will still be some available at the door.

Shawsheen PTA

The Shawsheen PTA met Mar. 11 with the president, Mrs. Allen Flye, presiding. A report of the successful fair, which was held in February was given, and the nominating committee was appointed as follows, Mrs. Edmund Gorrie, chairman, Mrs. James Batterbury and Mrs. John Hewitt.

James Wilson, who is to be cub-master of the new cub pack, announced that registration would be held for the boys who wish to be cubs, on Wednesday evening, and that plans were almost completed to start the cub program. A few more den mothers are still needed.

The April program will be children's night, but, because of the increased enrollment and lack of seating capacity in the hall, only children of grades 3, 4, 5 and 6 will participate.

The three groups of campfire girls conducted a sale of bakery goods and handcraft articles, preceding the meeting, which was very successful.

Dr. Doris Sidwell, who conducts a child guidance clinic in Lawrence, was the program speaker. She showed a film called "Preface to Life" and commented on various

aspects of it.

The attendance banner was won by Miss Howe's first grade. Refreshments were served by the first grade mothers with Mrs. Andrew Innes, Mrs. John Broderick, Mrs. James Manning and Mrs. George Harper as hostesses.

What's "in the works" at G. E.

THIS COULDN'T HAPPEN TO ME!

— but it did! . . . and do those G-E Insurance Benefits come in handy!

Imagine an Insurance Plan for hospital expenses and surgeon's fees that's as simple and practical as A-B-C — yet immediately helpful when most needed!

Here's how it works to the benefit of G-E employees who are participating.

If hospitalized for any non-occupational sickness or an accident — the Plan pays the cost of a semi-private room, up to \$10 a day for a maximum of \$700 for any one cause.

Furthermore, if an operation is necessary for a non-occupational disability, the Plan pays the surgeon's fee up to the maximum amount listed in the policy for that particular operation — sometimes as high as \$175. The

Plan also pays up to \$100 for operating room, anesthesia, X-rays, drugs and surgical dressings.

In addition, the G-E Insurance Plan provides weekly sickness benefits ranging from \$25 to \$40 a week up to 26 weeks.

How much does it cost to enjoy these benefits — whenever they're needed? A small amount weekly. The average weekly payment is only about 60 cents for employees earning from \$3500 to \$3999 a year. This low cost is made possible because nearly two-thirds of the entire cost is paid for by G. E.

It all adds up to one more reason why G. E. provides Good Employment for 24,000 local folks.

The student council is made up from the school officers and the home room presidents.

Junior Red Cross

The Junior Red Cross members held a meeting Tuesday under the direction of Mrs. Walter Mondale and Miss Ida Grover, faculty representative. It was decided to appropriate \$50 to the National Children's fund as part of our international program instead of the correspondence album and the school chest previously planned, because of lack of time.

At the next meeting officers will be elected for next year.

Notes

Completing their project on good grooming the home making class gave Marie Sullivan of the senior class a home permanent. Not bad girls, not bad.

Baseball tryouts are being held this week for all interested candidates.

The girls have begun their volleyball season.

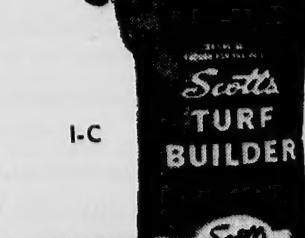

Rehearsals are in full swing for both the N.E. competition play "Suppressed Desires" and the annual school spring play "Down to Earth".

Members of the competition play went to Marblehead, where the play will be shown, and had pictures taken. These will appear in various teachers' magazines and newspapers within the next few weeks.

What Our Readers Say —

FAITH OR FACTS?

Editor of The Townsman:

Last week's town meeting revealed several interesting developments in our school committee's attitude toward their public.

It must have come as a surprise to many voters to hear the committee give an explanation of their higher budget. Just why they should have condescended to volunteer any information whatsoever to the voters at the town's business meeting is not clear, but it is one step in the right direction. It must have been obvious to all, however, that to fire figure after figure at the people orally is not the fair or intelligible way to handle financial intricacies.

A second surprise was the greatly enlarged and embellished printed report for 1952. Although the people have both a moral and a legal right (see General Laws, C H 72, sec. 4) to a "detailed" report from the committee covering educational conditions, our reticent committee gives us no more than the usual and obvious "bricks and stones" routine. Once more it evades its own obligation toward the public by making the superintendent its mouthpiece. It took them over twice as many pages and about three times the cost to reveal as little as they did last year.

It is, however, worthy of note that the superintendent's report is a distinct improvement. No longer is it loaded with glib adjectives. Instead, we now have a sober, analytical statement which frankly admits that not every problem has been licked. This change of tone is in the public interest and welcome.

Why our school committee persists in making its so-called report public at so late a date — too late for elections and too late to be read in time for town meeting — remains the mystery it has long been. The committee's contribution to this super pamphlet is as inadequate as its distribution is ill-timed.

Another development concerns the new school planning committee. Since the housing problem is the school committee's baby, it almost looks as if they were unloading it onto the public either because they are under-manned or because it is "too hot to handle."

According to the story in last week's Townsman, the school committee claims to have complete control over matters of curriculum. If they have exclusive authority to teach French in grammar school, they must have equal authority to teach Greek there, or to refuse to teach English. This is a little hard to take. Clarification should come from the source of that authority, not from the public.

Does all this leave the public

no rights, but merely duties: the duty to give them our votes, give them our dollars and our children to do with as they please? In return for this they won't even offer the voters, taxpayers and parents their own explanation of what they are doing and why, or an intelligible and timely justification of the cost. Strange it is that the committee whose sole business is public education should fail most conspicuously in the business of educating the public.

How much longer must the public put up with such an undemocratic and unbusinesslike attitude, and remain content to rely on second-hand information or on faith to know what is going on in our schools? Without facts, faith dies of malnutrition.

Central Pupils Entertain PTA

Pupils of the first three grades of the Central elementary school presented a program at the Central Elementary PTA meeting Mar. 11 that portrayed parts of their school curriculum. Colorful costumes enhanced the acts they presented before a large audience of parents and friends.

Diane Oberlin, second grade pupil, served as mistress of ceremonies.

In the first grade group Mrs. Adeline Wright's class sang and acted various cowboy songs. Mrs. Helen Philips' students demonstrated safety rules by acting them out and singing songs about safety. Mrs. Marjorie Jones' group acted out a story in colorful costumes.

The second graders of Mrs. Margaret Bascom conducted a reading lesson and sang a new version of the old favorite "Readin, Writin and Rithmetic."

Mrs. Betty Richardson's second graders presented a class in physical education and the students of Mrs. Dorothy Runyan dramatized various health rules emphasizing plenty of good food and milk and lots of sleep in well-ventilated rooms.

The third grade class of Mrs. Edna M. Lounsbury was under the direction of Dr. James Grew, an instructor in French at Phillips academy. Dr. Grew is one of the teachers who has been conducting the experiment in linguistic French with these third graders. The entire program was in French. A student drew a head on the board and the youngsters then named all the parts such as eyes and ears. Those in the audience were all well pleased with the progress made by these young people.

Mrs. Louise McQueston's third graders dramatized the story of "The Tar Baby."

The boys and girls of Miss Winifred McNeil's class were dressed as children of foreign lands and sang songs of these nations.

AMERICAN REVOLUTION PANELS ON EXHIBIT

The Memorial Hall library is showing an exhibit of a series of panels on the American Revolution until the end of the month. The display was prepared by the editors

of Life magazine and literally hundreds of pictures were sifted for this collection of 24 panels which contain reproductions of paintings, portraits, cartoons, handbills and other facsimiles, engravings, and a map. Eight are in color.

Too Many Grass Fires

Most of the grass and brush fires that have kept the fire department on the jump during the past few weeks have been caused, fire officials say, by sparks and embers that have been blown from incinerators.

Burning household rubbish on a windy day in an uncovered or an open wire incinerator is extremely hazardous. The absence of snow in recent weeks and the prevalence of strong winds have caused the blaze from the incinerator to communicate with nearby grass and in a few minutes it is spreading out of control into a wide area. In several instances valuable property has been endangered.

We are now approaching the spring months during which time nearly every suburban community will find its residents burning over grass and brush areas in the annual spring clean-up of their properties.

This may be beneficial, but several safety precautions should first be taken before this is done.

To begin with, a permit for any fire in the open must be secured from the fire department. This can be done by phone.

Then the proper tools for the control of grass fires should be on hand. These include shovels, brooms and garden hose all connected and ready for use. If not near a place where a hose can be connected, then barrels of water should be taken to the area to be burned.

Depending upon conditions, some help should be standing by to lend assistance if needed. Never allow children near a burning area, they may get burned.

Choose a day when there is no breeze, otherwise the permit to burn may not be granted, and be sure to keep an eye on the fire until it is completely extinguished.

These are simple precautions, but they are safety measures that will help reduce the destruction of property and cut down the expenses of running a fire department.

God grants liberty only to those who love it and are always ready to guard and defend it. — Daniel Webster.

Down the Years with The Townsman

50 Years Ago — March 1903

The Andover baseball team was out for practice Saturday for the first time this season. The team will not enter the trolley league this year.

Phillips academy won fifth place at the B.A.A. Interscholastic meet in Boston Saturday. Exeter was third.

A demonstration of cooking by gas will be held at the Lawrence Gas Co. store tomorrow. All the ladies interested are invited to attend.

The P.A. basketball team will play only a few more games this season owing partially to a shortage in the treasury, and also lack of interest and support of the students.

Tonight at the town hall the P.A. musical clubs — Glee, Banjo and Mandolin — will give their annual concert which bids fair to be very well attended.

The selectmen made the following appointments Monday night; Registrar of voters, Joseph F. Cole; milk inspector, George E. Hussey; surveyor of wood, lumber and manure, George D. Ward.

The sprinkling carts were out yesterday.

The fire department was called out Wednesday by an alarm from Box 65 in Frye Village to extinguish a brush fire. There was no occasion for the alarm as the fire, a slight one, threatened no property and should have been attended to by the fire wards. Chief Hardy so informed the young man who sounded the alarm and promised to make it warm for him if he rang in an alarm again for such a slight cause.

This is building time, we say editorially, but unfortunately, we add, the extreme high prices of everything that enters into the building industry places a serious handicap on the demand for new homes.

"The Croft," the beautiful resident of the Messers Maurice J. Curran and John Joyce on N. Main st., sheltered the Aventure club of Lawrence Tuesday evening, the occasion being a "gentlemen's night" which was well attended. A special electric conveyed most of the Lawrence people to the affair.

A group of ninth grade pupils of the public schools enjoyed a sight-seeing trip to Boston. Some of the pupils' accounts of the visit will appear shortly in The Townsman.

Andover's state guard security unit progressing rapidly in all phases of training. With coming of warmer weather the unit is ready to take up guerilla warfare and other field exercises.

Frontier Of Freedom,

Chamberlain.

Another gem from the hands of Samuel Chamberlain, this time a vivid picture of Old Deerfield, Mass.

Strange Altars,

Bach.

Marcus Bach, author of this recent work in field of religious research, went to Haiti for this information about Voodoo — its lore, legends, rites and meanings.

Latin America In The Cold War,

Daniels.

This book concerns itself with the challenge Latin America can have to our way of life as pledged by the Monroe Doctrine. It deserves serious reading.

Panzer Leader,

Guderian.

Without Guderian, it is possible that Hitler would have been frustrated in his early offensive when he opened the war. The first run of victory in World War II was made possible by the Panzer forces which Guderian had created and trained. He led their efforts in spite of Hitler's fears and in the face of resentment of his superiors.

Finishing Materials And Methods,

Soderberg.

Excellent handbook for those who are interested in finishing processes, such as pearling, using flock, texturing, painting, plastering, etc. In addition to brief history of the development of each product, author gives first class instruction on actual work. Has fine chapters on color, light reflectancy, etc.

The Woman With The Whip,

Main.

First accurate biography of Eva Peron the most hated, feared, worshipped, glamorous woman in South America. A fine picture of contemporary Argentina with its uncertain future, unsure economy and fearful people.

Obituary...

MISS HELEN J. SAYLES

Miss Helen J. Sayles, 117 Salem st., died Saturday evening at the Lawrence General hospital after a short illness. A native and lifelong resident of Andover, she was a graduate of Punchard high school and later attended the McIntosh school, Lawrence.

Surviving are her parents, Mr. and Mrs. Charles Sayles of Andover; three sisters, Carole, of Boston, Mrs. O. W. Newsome of Newport News, Va., and Mrs. Raymond Gardner of Amesbury; three brothers, Marvin of Boston, Benjamin of Andover, and Warner of West Medford; also several nieces and nephews.

The funeral was held Wednesday from the Lundgren funeral home with services at 2 p.m., conducted by the Rev. Julius S. Mitchell, pastor of the Third Baptist church. Burial was in Spring Grove cemetery.

Engagement

Steinke - McMillan

Mr. and Mrs. John M. McMillan of 214 N. Main st., announce the engagement of their daughter, Miss Joan M., to Arnold E. Steinke, son of Mr. and Mrs. R. Steinke of Oconto Falls, Wis.

Miss McMillan is a graduate of Punchard high school and Burdett college, Boston. She is a member of Theta Epsilon Alumnae sorority and is employed by Dr. Frank E. Himmer of Shawsheen. Mr. Steinke is a graduate of Oconto Falls high school and a veteran of service in the U. S. army.

The father of a family always tries to bring up his children in the way he should have gone.

ON DEAN'S LIST

Miss Betty Born, daughter of Mr. and Mrs. Edgar Born, 37 Enmore st., is on the dean's list at Laselle Junior college.

In this age of high finance and need for higher education, many a father has to buckle down and start working his son's way through college.

CLEANSING - DYEING

For MARRIED Women ONLY!

If your wedding band still has near its original weight and is still bright and shiny, this doesn't apply to you.

But... if your wedding band is worn thin, if it has lost its glow, this should really interest you:

Scannell's is now offering several trays of wedding bands; all new, heavy 14 Karat solid gold rings, either white or yellow, hand-carved in all designs - for the low price of \$5 each, plus tax. And, we have YOUR size.

This is an ideal chance to replace bands which may have worn thin or on which the engraving has disappeared.

It's hard to believe, we know... but it's true! Every one of these bands is regularly priced at \$15 to \$20!

Drop in soon and see for yourself. Scannell's, 312-314 Essex Street, in the Central Building, Lawrence.

WE INVITE YOU TO VISIT

Our Completely, Modernized, Remodelled And Greatly Enlarged Banking Office In

NORTH ANDOVER

A LARGE NEW VAULT

has been installed at our modernized North Andover office by the Mosler Safe Co., and incorporates all of the latest devices for security and protection.

Its door weighs eight tons and the safe contains 202 Safe Deposit Boxes. These boxes have pick-proof locks certified by Underwriters' Laboratories.

Pick an envelope containing keys... select the box you wish... and the lock is set to fit YOUR keys, and YOUR keys only. This is an exclusive feature in this area.

After eight years of providing Thrift Services to the residents of North Andover, our business in that community has required expansion to nearly double the space we first occupied in 1944.

We have now remodeled and modernized that office to bring North Andover residents the very latest in banking facilities.

A new vault, of up-to-the-minute design, has been installed to provide added security and to make available Safe Deposit Boxes in a variety of sizes.

It is the Andover Savings Bank's privilege to serve nearly 3,000 depositors at this North Andover office.

The latest dividend is 2½%, and all deposits are insured in full under Massachusetts laws.

WEST PARISH

Mrs. Sarah Lewis, Correspondent, Telephone 584-J

Vesper Service

The annual vesper service sponsored by the Junior Woman's union of the West church will be held at 7:30 p.m. Sunday, Mar. 29 at the West church. The theme of the evening is "These Things We Believe." There will be special music. Mrs. Dean Hudgins is chairman and she is being assisted by Mrs. Elmer Peterson and Mrs. John Hall Jr. All friends are cordially invited to attend.

Communion Breakfast

A most successful communion breakfast was held last Sunday morning in the vestry of the West church when more than 55 members of the Men's Brotherhood attended. The committee included Mrs. Emil Schirner, chairman, Mrs. William Dubocq, Mrs. Eugene Henderson, Mrs. Walter Wilson Jr., and Mrs. Harry Wright. Following the communion and breakfast a stirring address was given by Sterling Wil-

liams, chairman of the Layman's Congregational League of Massachusetts.

Men's Brotherhood

The March meeting of the Men's Brotherhood of the West church will be held at 8 o'clock tonight in the vestry. President Clarence Dimock will preside. A social hour will follow. The speaker will be Daniel J. Finn of Boston, assistant attorney general, who will talk on "Better Government." Mr. Finn is the former executive secretary of the Boston committee for better government. All are invited to attend.

Grange Notes

Andover Grange, 183, will meet at 8 p.m. Tuesday, Mar. 24 in Grange hall. The first and second degrees will be worked at this time and there will be an official visitation by one of the state deputies.

To Pack Boxes

The Senior Woman's union of the West church will meet in the vestry at 10:30 a.m. next Monday to pack boxes for the missionary project, Lincoln academy. Anyone having clean, used clothing which they would care to donate may leave it at the church next Sunday. Box luncheons will be served Tuesday at noon and coffee will be provided.

Church Notes

Robert E. Marland has been elected to the board of assessors of the West Parish to fill the unexpired term of Herman Seinwerth.

The flowers on the altar of the West Parish church last Sunday morning were given by Mr. and Mrs. Alfred Krall in loving memory of their daughter, Paige.

N. D. I. A.

The North District Improvement association will hold its monthly meeting Thursday Mar. 26, in the old North District school house. One of the features of the meeting will be a country flower show featuring house plants.

Members of the committee are: Mrs. Raymond Cooper, chairman, assisted by Mrs. Leon Thompson, Mrs. Paul Fortuna and Mrs. Albert Retelle.

The judges will be Miss Agnes Bateman, Mrs. Josephine Donovan and Mrs. Herbert Petzold, all of Lawrence.

Refreshments will be served in charge of Mrs. Clarence Sanborn Chlebowskii. Roger Lewis will speak on "Soil Conditioning" and there will be a question period following the talk.

Lambs Born

A most unusual event took place at the home of Elmer Peterson, Greenwood rd., last Thursday when three sets of twin lambs were born to three of his yews. Very shortly these young lambs will be seen in the pasture in the rear of Mr. Peterson's home.

Personals

Friends of J. Harry Playdon of Lowell st., will be sorry to learn that he is a medical patient at the Lawrence General hospital.

Mrs. Leon Davidson of Lowell st., is making good progress at the Vincent Memorial hospital, Boston, where she is a patient following recent surgery there.

Mr. and Mrs. Alvin Pariseau of Chandler rd., visited with relatives in Worcester last Sunday.

Miss Eleanor Richmond, a teacher in the Newton High school, spent Sunday with Mr. and Mrs. Lathrop Merrick of Shawsheen rd.

Mrs. Arthur Higney has returned to her home in Fall River after spending several days at the home of Mr. and Mrs. George H. Winslow

on Lowell st.

Mr. and Mrs. Melvin Weiner, formerly of Lowell st., have moved to their newly built home on S. Main st.

Mr. and Mrs. Elwood Northey and daughter of Norfolk, Va., are enjoying a week's stay with the former's brother and family, Mr. and Mrs. Clayton Northey, Rocky Hill rd.

Mr. and Mrs. Winton Ramsay and family have recently moved to Ferdonia, Pa., where Mr. Ramsey has accepted a position as manager of the Sacret plant which is located there. Mrs. Ramsay is the daughter of Atty. and Mrs. Halbert Dow of Beacon st.

Mr. and Mrs. Ralph Taylor entertained the Couples' club of the Lawrence Street Congregational church last Saturday evening at their home on Chandler rd.

Mrs. Roger Lewis, Mrs. Albert Retelle, Mrs. Herbert Henderson, Mrs. James Smith, Mrs. Ernest Fieldhouse, Mrs. Raymond Cooper, Mrs. Paul Fortuna of River rd., and Mrs. Clarence Sanborn of North st., all attended the Farm and Home Makers day, at Essex Aggie, Wednesday.

Building Permits For February

The estimated cost of new buildings for which permits were issued in February amounted to \$31,000, according to the records of Building Inspector Ralph W. Coleman. Additions and alterations totalled \$5250.

Permits for a residence and garage were issued to Ruth Stevens, High Plain rd., and to the Lawrence Construction Co., off Lowell st.

Permits for additions and alterations were: Barnard Estate, Barnard st., interior alterations; Clarence and Minnie Sanborn, North st., add to poultry house; Henry and Wilfred Croteau, 43 Beacon st., add to poultry buildings; Mabel Dunnells, Abbot st., add one room; Rudolph and Auro Johnson, High Plain rd., one to tear down and another for a storage building; Mrs. Jean Treanor, Chestnut st., repair fire damage.

endeavoring to get all teachers into their proper places on the schedule for several years.

This began about three years ago at a time when it would have taken approximately \$20,000 additional on the school budget to bring all up to their proper place.

The recent action of the school committee places all teachers not on tenure in their proper places on the schedule. Several who are not on tenure are still below where they belong on the schedule.

However, it is anticipated that the committee would bring them into place next year or when they are placed on tenure.

P. H. S. SPORT

Billy Stack was elected last week by the Pynchard lettermen as captain of next season's basketball team. Center on the unbeaten 1952-53 team which ran up 18 consecutive victories and won a bid to the Eastern Mass. school boy tournament in Class C, Stack participates only in basketball and has been a regular for the past two years.

His brother, Joe Stack, was an outstanding player on the Pynchard teams of 1949 and 1950.

The new captain, who was runner-up to Paul Whitley in individual scoring this season, is one of the three starting regulars expected to return next season with Ray Yancy and Whitley. Lou Pigeon, George Adams and Jack Carver are other varsity men expected to return along with the junior varsity squad that made a creditable record under the coaching of Bob Collier.

Men's Club Plans For Ladies Night

Mrs. Alice Shepard Riggs, widow of the late Ernest W. Riggs, president of Anatolia college, Thessaloniki, Greece, will be the speaker at the South church Men's club ladies' night, at 6:30 p.m. Wednesday, Mar. 25.

Mrs. Riggs is the daughter of a famous American missionary surgeon and was born in Turkey. Widely travelled in the Near East, she has lived through brigandage, massacres, internment, the tragic suffering of both World Wars, and the guerrilla fighting and kidnapping which followed World War II in Greece.

Mrs. Riggs will speak on the problem and challenge of providing Christian education and training on the edge of the iron curtain in northern Greece.

ABBOTT RE-APPOINTED

Among the recent actions of the board of selectmen was that of the re-appointment of G. R. Abbott as moth superintendent. Mr. Abbott has just been re-elected tree warden.

Board Re-Appoints Recreation Com.

The selectmen at Monday night's meeting re-appointed Stafford A. Lindsay, George A. Stanley Jr., Alco E. Taylor, Francis P. Markey and Alan F. Dunlop members of the recreation committee for another one-year term.

Acting on votes taken at the town meeting they voted to have the town engineer draw up specifications for a chain link fence at the dump off Chandler street; voted to seek bids for replacement of a police cruiser; decided to install at a cost of \$70 a siren in the police cruiser to replace the one damaged in an accident, and voted to send to the state department of public works a copy of the article appropriating \$4000 for a traffic control box in Elm square with a request that a survey be made of the situation.

The board also approved a gas main extension on Appletree lane, and awarded to Phillip Gaudet of Cuba st., the contract to take down the old chimney on the northwest corner of the town house and replace it with a new one.

WEDDING INTENTIONS

The following wedding intentions have been filed at the office of Town Clerk George H. Winslow: Joseph R. E. Simard, 8 Topping rd., and Emily J. Bourdelais, 44 Chandler rd.

PULLING HIS LEG

A resourceful missionary fell into the hands of a band of cannibals.

"Going to eat me, I take it," said the missionary.

"Yes," replied the chief.

"Don't you do it," advised the missionary, "you wouldn't like me."

He took out his pocketknife, sliced a piece from the calf of his leg, and handed it to the chief. "Try it and see for yourself," he urged.

The chief took one bite, grunted and spat.

The missionary remained for 50 years. He had a cork leg.

Supt. Kenneth L. Sherman in
his report states that during these
years of advancing costs, growth
in enrollment, changes in state
and federal laws, and large build-
ing programs, it becomes more and
more necessary to weigh carefully
costs against educational goals.

"It is my belief," Supt. Sherman
continues, "that we have en-
deavored to accomplish this during
the past school year. Much has
been done and much remains to be
accomplished. While our costs are
only average, we hope that our
schools are above average."

Discussing costs in his report
Supt. Sherman says: "Probably the
greatest factor in the increased
cost of the public schools in And-
over is the increase in enrollment.
I am willing to go on record in say-
ing that the per pupil cost in And-
over is not above the average in
the state, that the Andover salary
schedule is not above the average,
and that the administrative costs
of the school system are far below
the average for town school sys-
tems.

"The budget of \$500,090 for the
fiscal year 1953 seems rather an
alarming increase. However, the
fact is that the per pupil cost is
less than the per pupil cost of
1952. Each additional pupil makes
necessary more supplies, such as
paper and pencils, and more text-
books. For instance, each fifth-
grade child has at his disposal
approximately fifty-five dollars
worth of textbooks. While many of
these textbooks are used year after
year by succeeding classes, it is
evident that any great number of
fifth graders coming into the sys-
tem would make necessary pur-
chases of many new textbooks. The
per pupil cost for textbooks for
1952 was three dollars and sixty-
two cents.

"One of the greatest factors in
determining costs is the ratio of
pupils and teachers. Andover's ra-
tio is twenty-six pupils to the
teacher. This figure includes all
teachers, special teachers, and
principals in both the elementary
and in the high schools. This ratio
is about average for this state."

Rehearsals are being held by the Free church choir in preparation for the presentation of "The Seven Last Words of Christ" by Dubois. The cantata will be presented in the Free church at 7:30 p.m. Sunday, Mar. 22.

The soloists will be, Mrs. Michael Brennan, soprano; Frederick Fitzgerald and David B. Reynolds, tenors; Alexander Black and John Carver, baritones, John Leacock, bass.

The public is cordially invited. The program is under the direction of Donald L. Amy, organist and choir director.

Outlines Duties Of Grey Ladies

The duties of the Red Cross Gray Ladies were outlined in an informative talk by Mrs. Herbert Allicon of Holt rd., at the meeting of the Friendly Guild of Christ church, Monday evening, in the parish house. Mrs. Allicon displayed several objects of handwork made by the patients of the Veterans hospital in Bedford, which is her special assignment. She is well qualified to talk on this particular subject having served as a Red Cross Gray Lady for over five years.

A mystery ride is planned by the members of the Friendly Guild for 6 p.m. Monday, Mar. 23.

A friend recalled stopping at a roadside stand for a basket of apples and making a crack about the big ones being on top. Can't help it, young fellow, the farmer told him with a dead pan. These apples grow so fast that the last ones picked are bigger than the first.

SIMEONE'S PHARMACY

WILLIAM F. SIMEONE, PH. G. Reg. Pharm.
ON ANDOVER SQUARE

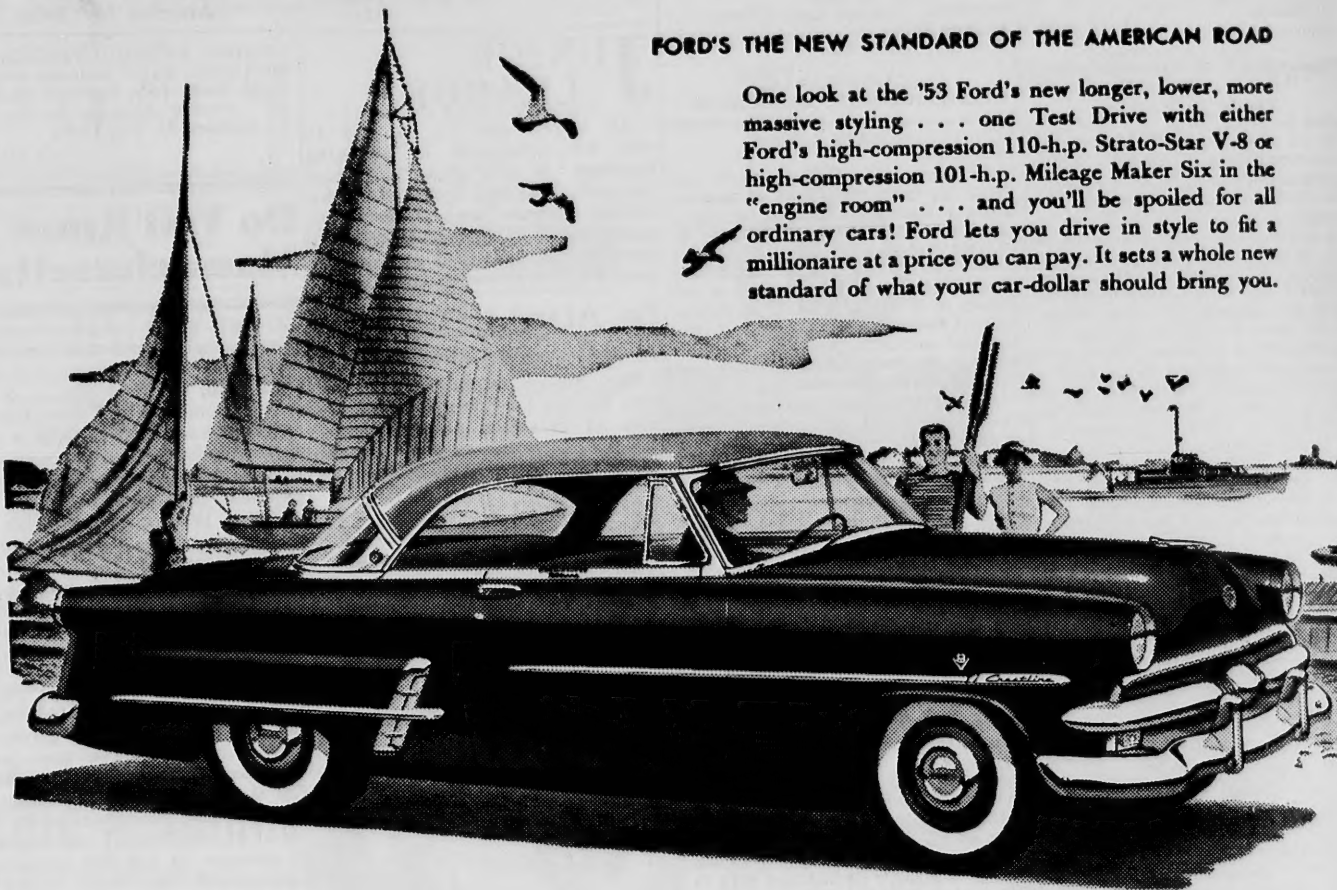

It Takes Experience . . .

We know the importance of beginning treatments immediately. Our years of experience makes it possible for us to fill prescriptions accurately and speedily.

Born to be beautiful

FORD'S THE NEW STANDARD OF THE AMERICAN ROAD

One look at the '53 Ford's new longer, lower, more massive styling . . . one Test Drive with either Ford's high-compression 110-h.p. Strato-Star V-8 or high-compression 101-h.p. Mileage Maker Six in the "engine room" . . . and you'll be spoiled for all ordinary cars! Ford lets you drive in style to fit a millionaire at a price you can pay. It sets a whole new standard of what your car-dollar should bring you.

Built to stay young

Fifty Years Forward on the American Road

WITH 41 "WORTH MORE" FEATURES
IT'S WORTH MORE WHEN YOU BUY IT . . .
WORTH MORE WHEN YOU TRADE IT

With rugged K-bar frame . . . with weather-tight, hull-tight body construction . . . this Ford will stay "new" for years. And, among its 41 "Worth More" features you will find advances like Ford's Center-Fill Fueling, suspended pedals, and new Wonder Ride that make this '53 Ford the trend-setter of the American Road. Here's a car that will really hang onto its value!
